

BATTERIRETUR

CERTIFICATE OF PRODUCER RESPONSIBILITY 2025

Issued to

Stock Group A/S

Registered product categories

20. Portable batteries

It is hereby confirmed that the company's responsibility for the collection and treatment of end-of-life batteries is managed by Batteriretur per applicable Danish legislation. In its management of the Producer Responsibility for the company, Batteriretur guarantees legitimate waste streams, quality in data, and registrations to the authorities. Through its membership in Batteriretur, the company takes responsibility for ensuring more and better recycling of batteries.

The company has reported the necessary information on quantities of marketed products in 2024. The certificate is valid until March 31, 2026.

Morten Harboe-Jepsen, Direktør
